Addiction is a devastating disease that can affect anyone, regardless of age, race, gender, or socioeconomic status. For parents, watching a child struggle with addiction can be one of the most painful and challenging experiences imaginable.

Chronic Hope Parenting The Addicted Child is a lifeline for parents who are struggling to help their addicted child. This book offers comprehensive information and practical advice on every aspect of parenting an addicted child, from understanding the disease to finding the right treatment to supporting your child through recovery.

What is Addiction?

Addiction is a chronic disease that affects the brain and behavior. It is characterized by compulsive drug or alcohol use, despite the negative consequences. Addiction can lead to a wide range of problems, including health problems, financial problems, relationship problems, and legal problems.

The Impact of Addiction on Families

Addiction can have a devastating impact on families. It can tear apart relationships, destroy finances, and ruin lives. Parents of addicted children often feel isolated, ashamed, and overwhelmed. They may not know where to turn for help or how to help their child.

Chronic Hope: A Lifesaving Guide for Parents of Addicted Children

Chronic Hope Parenting The Addicted Child is a comprehensive guide for parents of addicted children. This book offers the essential information and tools you need to help your child achieve recovery and establish a healthy, productive life.

In this book, you will learn about:

* The nature of addiction * The impact of addiction on families * The different types of treatment options available * How to support your child through recovery * How to take care of yourself as a parent of an addicted child

Chronic Hope Parenting The Addicted Child is written by a team of experts in the field of addiction treatment. The authors have decades of experience working with parents of addicted children, and they offer practical advice and support that can help you through this difficult time.

If your child is struggling with addiction, you are not alone. Chronic Hope Parenting The Addicted Child is a lifeline for parents who are struggling to help their child. This book offers the essential information and tools you need to help your child achieve recovery and establish a healthy, productive life.
