

Collins Big Cat Phonics for Letters and Sounds: Tap It, Tad! - A Phonics Learning Adventure

Learning phonics is a crucial step in every child's reading journey. It lays the foundation for reading success, enabling children to decode words, expand their vocabulary, and develop a love for reading. Collins Big Cat Phonics for Letters and Sounds: Tap It, Tad! is an exceptional book that makes phonics learning engaging, interactive, and fun.

Meet Tad the Frog, Your Phonics Guide

Children will embark on a phonics adventure with Tad the Frog, a lovable and enthusiastic guide. Tad will introduce them to the world of phonics, making learning playful and enjoyable. Each page features Tad in different settings, bringing phonics to life and keeping children engaged throughout the book.

Interactive Learning at Its Best

Collins Big Cat Phonics for Letters and Sounds: Tap It, Tad! is not just an ordinary phonics book; it's an interactive experience. Children can tap the clear plastic circles on each page to hear the letter sounds, words, and sentences. This multisensory approach reinforces learning and makes the phonics journey interactive and engaging.

Tapping the circles enhances phonics learning and makes it fun.

A Clear Focus on Phonics Skills

This book follows the Letters and Sounds phonics program, ensuring a systematic and effective approach to phonics learning. Children will progress through the different phases of phonics, starting with single

sounds and gradually moving on to more complex letter combinations and words. The clear and simple explanations, combined with the interactive elements, make phonics accessible to all learners.

Perfect for Early Readers

Collins Big Cat Phonics for Letters and Sounds: Tap It, Tad! is designed specifically for early readers. The simple text, clear phonics progression, and interactive elements make it an ideal choice for children who are just starting their phonics journey. The book provides a solid foundation for reading and sets children on the path to becoming confident and enthusiastic readers.

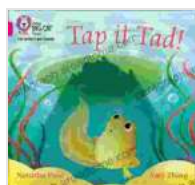

Why Choose Collins Big Cat Phonics for Letters and Sounds: Tap It, Tad!?

- Interactive and engaging learning experience with Tad the Frog
- Clear plastic circles for tapping and hearing letter sounds, words, and sentences

- Systematic phonics progression based on the Letters and Sounds program
- Perfect for early readers, providing a solid foundation for reading
- Makes phonics learning fun and accessible to all learners

Collins Big Cat Phonics for Letters and Sounds: Tap It, Tad! is an exceptional phonics book that combines interactive elements, a clear focus on phonics skills, and a lovable character to make phonics learning an unforgettable adventure. Early readers will delight in tapping the circles, hearing the sounds, and progressing through the phonics journey. This book is a must-have for any phonics learning journey, setting children on the path to reading success and a lifelong love of learning.
