A Berry-licious Journey Through Numbers

Join the charming Jerry Pallotta on a berry-picking extravaganza as he introduces young readers to numbers from one to thirty-four. Each page showcases a different berry, from luscious blueberries and sweet strawberries to exotic acai berries and flavorful cranberries.

The cleverly crafted rhymes engage children's imaginations and make counting a breeze. For example, "One strawberry is yummy, two strawberries are sweet, three strawberries are a tasty treat!" With each turn of the page, kids will discover a new berry while playfully practicing their number recognition.

Vibrant Illustrations That Pop

Jerry Pallotta's signature style shines through in the book's vibrant illustrations. Each berry is meticulously detailed, showcasing its unique shape, color, and texture. The bright and inviting pages captivate young readers' attention, making learning about berries an immersive experience.

Educational Fun for All Ages

While primarily aimed at preschoolers and kindergarteners, "The Very Berry Counting Book" offers educational value for a wide range of ages. Toddlers can practice their counting skills, while older children can expand their vocabulary and learn about different types of berries.

The book also encourages discussions about food, nutrition, and the natural world. Parents and educators can use "The Very Berry Counting

Book" as a springboard for conversations about healthy eating, berry cultivation, and the importance of preserving our planet's biodiversity.
