From Native American Path to Woodward Avenue Landmarks is a comprehensive guide to the landmarks and historical sites of Detroit, Michigan. The book traces the city's development from its humble beginnings as a Native American trading post to its rise as a major industrial center and cultural hub. Along the way, the book highlights the people, places, and events that have shaped Detroit's unique identity.

The book is divided into four sections, each of which focuses on a different period of Detroit's history. The first section, "Native American Path," explores the city's early history, from its founding by the Wyandot people to its role as a major trading center in the Great Lakes region. The second section, "French Frontier," examines the city's development under French rule, from the founding of Fort Pontchartrain du Détroit to the British conquest in 1760. The third section, "American Crossroads," traces the city's growth in the 19th century, as it became a major center of manufacturing and transportation. The fourth section, "Motor City," explores the city's development in the 20th century, as it became the world's leading center of automobile production.

From Native American Path to Woodward Avenue Landmarks is a valuable resource for anyone interested in the history of Detroit. The book is filled with beautiful photographs and illustrations, and it is written in a clear and engaging style. Whether you're a lifelong resident of Detroit or just a visitor, you're sure to learn something new from this book.

Sample Landmarks

- **The Guardian Building**

- **The Fisher Building**

The Fisher Building is a skyscraper in Detroit, Michigan. It was designed by Albert Kahn and built in 1928. The building is 30 stories tall and has a total floor area of 1,000,000 square feet.
