Girl Online User Manual: A Guide to Navigating the Digital Landscape

In today's digital age, it's more important than ever for girls and young women to be able to navigate the online world safely and confidently. Girl Online User Manual is an essential guide for anyone who wants to do just that.

Written by two experienced online safety experts, the book covers everything from creating a strong online presence to protecting yourself from cyberbullying. It also provides tips on how to use social media safely and responsibly, and how to make the most of the many opportunities that the internet has to offer.
