Our tutor has years of experience working with children of all ages and abilities. They understand the unique challenges that children face when learning to read and spell. They will work with your child to develop a personalized learning plan that meets their individual needs.

Our phonics program is designed to help children develop a strong understanding of the relationship between letters and sounds. We use a

variety of fun and engaging activities to make learning phonics easy and enjoyable.

Our spelling program is designed to help children learn the rules of spelling and to develop a strong vocabulary. We use a variety of multi-sensory activities to help children learn how to spell words correctly.

Our reading program is designed to help children develop fluency, comprehension, and vocabulary. We use a variety of engaging texts to help children learn how to read with confidence and understanding.

In addition to our phonics, spelling, and reading programs, we also offer a variety of other educational support services, such as homework help, test preparation, and college counseling. We are committed to providing your child with the support they need to succeed in school and beyond.

If you are looking for a highly experienced tutor to help your child improve their phonics, spelling, and reading skills, contact us today. We would be happy to answer any questions you have and to schedule a free consultation.
