For centuries, the Ouija board has been a tool for the curious and the brave to connect with the spirit world. But what happens when things go wrong? When the spirits that are summoned are not so friendly? These terrifying true tales will leave you questioning the boundaries between the living and the dead.

In *Ouija Board Nightmares*, you'll read about:

- A group of friends who use a Ouija board to contact a long-lost relative, but end up summoning a malevolent spirit that terrorizes them for weeks.
- A teenage girl who uses the Ouija board to ask about her future, but receives cryptic messages that lead to a tragic accident.
- A family who moves into a new home and soon discovers that it is haunted by the ghost of a former resident who was killed by a Ouija board.
- And many more bone-chilling tales that will keep you up at night.
