Lunar Energies and Their Influence

The moon is not merely a celestial body but a living, breathing entity that exerts a profound influence on our physical, emotional, and spiritual well-being. Its cyclical phases, from the new moon to the full moon and back again, correspond to different energies and intentions.

****New Moon:**** A time for new beginnings, setting intentions, and planting seeds of desire.

****Waxing Moon:**** A period of growth, manifestation, and taking action towards your goals.

****Full Moon:**** A peak of energy, culmination, and reaping the rewards of your efforts.

****Waning Moon:**** A time for reflection, releasing what no longer serves you, and preparing for the next cycle.
